The Quarter Bag 🗳️

Copyright to Judith Prindle 5/29/05

I created this cute little bag for my grandchildren to carry quarters in.

Materials:

Small amount of worsted weight yarn.

Size G crochet hook.

Black yarn to make a smiley face or a cute button, charm, or whatever you like to decorate

the bag.

Finished size is about 2 & 3/4 inches wide by 2 & 3/4 inches tall.

**Working in rounds without joining:**

**Chain 2**

**Round 1:** 6 Single crochet in the second chain from hook. (6)

**Round 2:** 2 Single crochet in each stitch. (12)

**Round 3:** \*1 Single crochet in 1st stitch, 2 single crochet in 2nd stitch, repeat from \* around. (18)

**Round 4:** \*1 Single crochet in 1st 2 stitches, 2 single crochet in next stitch, repeat from \* around. ( 24 )

**Rounds 5 - 12:** Single crochet in each stitch around, slip stitch in next stitch to join, chain 1.

**Round 13 :** Single crochet in same stitch as chain 1, \* chain 2, single crochet in next stitch, repeat from \* ending chain 2, join with slip stitch in first single crochet.

**Pull ties(make 2):**

Chain 30, end.

Thread the first tie through all the way around, and join it to itself.

Thread second tie through starting on the opposite side of the bag that you began to thread the first tie through. Join this to to itself also.

When the ties pulled on each side, at the same time the bag closes.
